

**It is my pleasure to nominate Neil Mackay for Life Membership of the Whangarei Golf Club**

**Neil has been a member of our club for over 60 years. During those years he has given many many hours of his time for the betterment of our Club and Golf Course - even now still mowing the rough!**

**Neil spent several years on the Planning Committee of the 6 hole Course re-development, which included planning management personnel from McBreen Jenkins, and the Whangarei Golf Club.**

**He was a member of the organising committee For the North Island Amateur Champs in 2001 and our Club Centennial in 2007.**

**Neil was a committee member for many years before becoming Club President in 1988/89**

**Neil was invited to join the Eagles Golf Assn in 1991. He was elected to the Eagles committee soon after joining, becoming Club Captain in 1998 followed by President in 1999. Neil was honoured with Life Membership of the Eagles Association in 2015.**

**As everyone knows behind a good man is a good women – so Alison your contribution has been huge as well.**

**My thanks go to Joan Puckey and Jac Cleary for assisting me with dates and facts on Neil's accomplishments.**
