Etiquette

Ensure that there are no obstacles lying closer than 150mm from the face of the bank;
Stay behind the player on the mat at all times;
Do not move when the opposition is on the mat;

Do not approach the head unless it is to chalk touchers or erase a chalk mark on a bowl which is not a toucher;
Do not break up a head until both players are satisfied with the score;

Once a player has played a shot, he is entitled to remain on the mat until his bowl has come to rest, so do not show any impatience by standing directly behind him and more or less urging him to make way for you.
