Danette Hensel (L) & Nicole Kasten (R)

**Great weather both days allowed for great scores shot by so many teams this week. After Day 1, the championship could have been given to so many different teams, especially with 3 teams within 6 strokes of the lead. The defending Ladies Club Champion Danette Hensel and her partner buckled down and went out fighting to claim 2021 GWGA Ladies Member-Guest Overall Gross Championship.**

Sandy Haddock (L) & Sara Margeson (R)

**This team went into today with no expectations, especially since Sara Margeson just started golf less than 6 months ago. Now let's just say this team kicked some serious butt and whomever is teaching Sara, "WOW". Congratulations to Sara Margeson and Sandy Haddock for winning this years 2021 GWGA Member-Guest Overall Net.**
